The Hon. John Manley

Obvious Solutions Inc. (OSi) is pleased to announce the appointment of the Hon. John Manley to its Advisory Board. In his capacity as Special Advisor to the Board of Directors, Mr. Manley will advise OSi on a variety of matters concerning its lead product, Abrica™.

Mr. Manley - Senior Counsel, McCarthy Tétrault LLP - with nearly 20 years in public service, has held several senior portfolios in the Government of Canada, including: deputy prime minister, finance minister; minister of industry; minister of foreign affairs; political minister for Ontario and has headed a committee reporting to the Ontario minister of energy on Ontario Power Generation.

OSi is a privately held Ontario company which develops internet based solutions designed to overcome the barriers to simple and automated business-to-business information flows between large businesses and their Small-to-Medium sized (SME) trading partners. Abrica is an affordable and revolutionary supply chain management solution that allows business and governments to accomplish this communication through an open, universal and secure network for e-Business.
